## “Water, Water Everywhere”

Five water stories from the Bible will be explored through creative activities done by the children each morning. Each story will be reinforced through drama, singing, snack, scripture, and games. Children will also visit “Water World” and freely choose among a large variety of crafts, scientific water experiments, and other related activities.

## Water Stories in the Bible

Noah’s Ark

Jonah and the Whale

Jesus Calming the Storm

Jesus Walking on the Water

Fish Fry on the Beach

## Come to “Water World”

Build a Wooden Catamaran

Make a Rain Stick

Design and Fly a Fish Kite

Sand Terrariums

Paint with Real Sponges

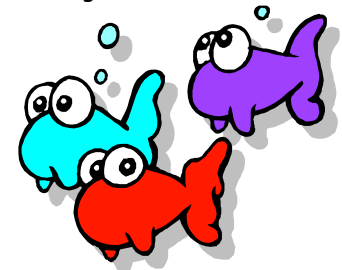

Jellyfish Windsock

Beach Photo Shop

Bubble Mania (Stand INSIDE a Bubble!)

Contest: Water drops on a Penny

And much more...

All children ages 3 - grade 5 (completed) are invited to join us. A registration fee of \$5.00 per child or \$10.00 per family is necessary to cover costs. Registration begins May 17 and ends June 14.

This year we have a special trip planned for the children in Grades 3, 4, and 5 (completed) on Thursday afternoon. After Bible School ends that day, we will be traveling to the Whitaker Center for Science and the Arts in Harrisburg to view the IMAX Presentation of “Sea Monsters 3D”. We will also tour their Hands-On Science Museum. Cost is \$10.00 per child and should be paid at registration. This trip is optional.
